YODA OG

Yoda OG, a descendant of OG Kush, is an indica-dominant strain that induces heavy relaxation of the mind and body. This strain boasts chunky pale buds, a tangle of orange hairs, and a pungent citrus aroma. Its sedating, euphoric effects make it popular for anxiety and insomnia.

SFV OG

SFV OG is a sativa-dominant hybrid that is great for patients who need strong pain relief but don't want to be stuck on the couch. The flowers will stay fairly small and may not look super impressive, but what it lacks in looks it makes up for in smell.

GIRL SCOUT COOKIE

Girl Scout Cookies is an OG Kush and Durban Poison hybrid cross. With a sweet and earthy aroma, Girl Scout Cookies launches you to euphoria's top floor where full-body relaxation meets a time-bending cerebral space. This strain is relieves severe pain, nausea, and appetite loss.

MR. NICE GUY

Mr. Nice is a cross between the legendary G13 strain and the Hash Plant. This indica dominant plant has extremely dense buds with a sweet smell. Mr. Nice will creep up and provide you with a strong, mellow high.
